## BAY OF PLENTY

Working to a classic palette, this home makes a striking statement both inside and out. The quality build by Penny Homes struck gold by achieving well above industry standards.

The contrasting black-and-white theme is carried indoors where dark oak flooring is lifted by white walls and luxury surfaces, such as the marble island benchtop in the kitchen.

The well-equipped kitchen is light and fresh, enhanced by the 3.6m raked ceiling that forms the strong spine of open-plan living. The lounge and

Wow factor is on show in this elegant Taupo home designed by JT Design Architecture. With a classic palette, seamless flow and luxury details, living here is blissful.

dining room are neatly divided – a fireplace and heatpump provide additional warmth, along with luxurious carpet.

Through white-framed glazing, the home in Brentwood, Taupo, boasts elegant outdoor living spaces that extend the options for the owners to relax and entertain. Private and sheltered, there are different spaces to enjoy quiet time or gather together with friends and family.

Two beautifully appointed bathrooms, including a master ensuite, follow the classic, yet traditional theme. A free-standing bath serves the family superbly. Large, elegant tiles add a wonderful feeling of light and space to the walk-in showers.
